DRAYTON VALLEY, ALBERTA

VOLUME IV, NO. 13 MARCH 27, 1968 PRICE 10¢

Rotarian John Wronko is shown here discussing the Rotary Club's Adventure in Citizenship with the three Frank Maddock High School students who took part in a speaking competition at the club's Ladies' Night last week. The three girls from left to right are, Valerie Hutchinson, Easyford, Linda Dusterhoft, Rocky Rapids and Bonni Reich, Tomahawk, who was declared the winner of the Rotary trip.

Bonni Reich of Tomahawk Wins Rotary Sponsored Trip

At the Drayton Valley Rotary Club's Ladies' Night in the Cardium Room last Wednesday three students from Frank Maddock High School took part in a speaking competition to determine the winner of the club's "Adventure in Citizenship" trip to Ottawa this summer.

The three girls selected to take part in the competition were Linda Dusterhoft of Rocky Rapids, Bonni Reich of Tomahawk and Valerie Hutchinson of Easyford. Speaking on the topic of "Why I am Proud to be an Albertan" the three girls handled the subject very capably and presented a challenge for the judges who eventually declared Miss Reich the winner.

She will leave later this year on an expense paid trip to the national Capital where she will join young people from across the country as guests of the Ottawa Rotary Club. Their visit to Ottawa will be spent touring places of interest and a variety of social and recreational activities.

Three other special guests of the Rotary Club for the evening were the Carnival Queen contestants who will be taking part in the annual ice carnival this weekend. These three girls are Carole Kruger, Carol McGaughey and Joan Swap.

Also present were the parents of the girls taking part in the speaking contest.

The ladies took over the club for the evening which started with a delicious Chinese dinner Marion Neil, acting as Sgt. at Arms, capably collected a little loose change from Rotarians who appeared without buttons or who committed other real or imagined infractions of club etiquette.

The Rotary Anns went all out for the entertainment portion of the evening and members of the club and their guests were treated to some unusual dramatic talent.

In a short skit, Bob Mayhew and Barney McGlone rendered remarkable performances as the beautiful princess and charming queen and were ably supported by Marion Neil and Kathy Bright who threw themselves into their highly dramatic roles of the duke and king. Frankie Smith and Betty Wronko graced the scenery as mini-mini skirted curtain rods.

Anna Raven capably served as Mistress of Ceremonies for the evening and inroduced two other performers who helped round out the entertainment. Leona Riesterer pantomimed Kansas City Star and Lil Ross, in appropriate dress sang and played two cockney numbers.

Nursing Course Starts Monday

The Senior Home Nursing Course, to be conducted here by the St. John's Ambulance Society, will start at 8 p.m. on Monday, April 1st in the E.M.O. Room in the Town Hall.

Twenty-five persons have already registered for the course but there is a possibility that three or four more applications may be accepted just before the class starts Monday.

Senior Citizens Club to Meet

Regular meeting of the Senior Citizen's Club of Drayton Valley will be held in the Elks Hall at 7 p.m. on Thursday, March 28th.

Important business will be discussed and all members are urged to attend. Bingo and cards will follow the business session.

Fish and Game Meets Thursday

Regular monthly meeting of the Pembina Oilfield Fish and Game Association will be held at 7:30 p.m. on Thursday, March 28th in the basement of the Goliad Building.

Signs of Spring

With Ottawa still in winter's grip, Canada Department of Agriculture employees Louise Benoit, Helene Leduc, and Brenda Jack (left to right) admire the Plant Research Institute's display of spring flowers grown under glass in the Institute's greenhouses.

Council Proposes New Subdivision

The liklihood of several employees of the Hudson Bay Oil and Gas plant making their homes in Drayton Valley was discussed at the regular Council meeting of March 14th and plans undertaken to ensure that adequate building lots will be available for a possible increase in residential construction this summer.

The gas plant is now under construction west of the Brazeau Dam and negotiations with company officials indicate the possibility of about twenty employees seeking homes in this community.

Only about forty vacant lots are still available at scattered locations throughout the community and Council expressed the need for a new subdivision development to take care of possible Hudson Bay employees and the normal growth of the town.

The Development Officer and Town Engineer were asked to prepare a proposal containing the most practical subdivision along with estimates of cost.

Town Engineer W.C. Tuttle attended the meeting and presented sketches of proposed subdivisions. The subdivision favored by Council encompassed a large area of privately owned land west of block 45. Further development, when required, was visualized southeast of the present edge of residential property.

The section favored by Council for a new subdivision lies West of Block 45 between 46 and 47th Avenue. It is centrally located and already serviced by roads on three sides.

Council directed that the owner of the land be approached and asked to survey and register the block so that development could go ahead as soon as possible.

The Town Engineer was also asked to prepare plans and specifications for installing water and sewer extensions into the area to be covered by Bylaw No. 405 which was given first reading.

Annual Carnival Saturday

Arrangements have been completed and all is in readiness for the 13th Annual Boy Scouts Ice Carnival to be held in the Drayton Valley Centennial Arena Saturday, March 30th.

Two performances will be held, a matinee at 2:00 p.m. and an evening performance a at 7:30 p.m.

During intermission at the evening performance the Carnival Queen will be crowned. Three girls are competing for the honor and have already been judged by a panel of Oil Wives in several categories with ticket sales to make up the remaining points.

The three girls seeking the Queen title are Carole Kruger, Carol McGaughey and Joan Swap. Queen contest tickets are available this week from a variety of sources.

The young skaters of the Drayton Valley Figure Skating Club will take spectators on a colorful world tour in eight minutes of costumed pageantry. The club is composed of about 200 members, all of whom have parts in the show.

Clowns, hockey and chuck wagon races will be featured during intermission. The hockey games are Mite playoffs with two teams in action during the afternoon performance and another two during the evening intermission.

The carnival, presented by the Figure Skating Club, is sponsored by the Drayton Valley Rotary Club with proceeds going to the Figure Skating Club and operation and maintenance of the Scout Hall.

204.18.159B

Members of the silver and gold group who will be appearing in the Ice Carnival on March 30th are shown above. Front row, left to right, Sharon Hay, Bonnie Mohn, Debbie Ried, Vicki Wardlow, Betty Hay, Lyn Astle. Back row, left to right, Joy Meraw, Joyce Rendflesh, Janet Metelski, Linda Hinecker, Faye Astle, Debbie Wickens.

WARBURG NEWS

BEN GROHN
Correspondent.

Mrs. Alex Fryk came home on Sunday after spending ten days in the University Hospital where she underwent surgery.

Congratulations to Mr. and Mrs. Emil Naprowa on the birth of a baby girl, born March 13.

Our deepest sympathy to the Kerekes family on the loss of their mother. The funeral was on Monday from the United Church.

Max Lemermeyer has resigned as mayor of Warburg. He is no longer a resident of Warburg having moved to the farm.

The ladies bake sale last Saturday was a success. By 3:30 p.m. everything was sold.

Bowling 8th and 9th of March: Odd Balls x Rolling Stones; Alley Cats x Dead Beats, Thunder Balls x Chug-a-lugs; Falcons over Dare Devils; Busy B's x Hot Rods; Polka Dots; Rolling Stones x Dead Beats, Ludky Strike x King Pins; After Thoughts x Blue Jays; WarBugs x Little Buddies. Highs, S. Ruff 270; Hilda Kwiatkowski 261. Bowlers remember playoffs are on the 26th and 27th. Wind-up social on May 4th at 8 p.m. in the Warburg Legion Hall.

Here are the points to this date, however, some have played one night more than others. Starting from the top. Lucky Strikes 56; King Pins 48; Spartans 39; Chug-a-lugs 38; Alley Cats and WarBugs and Dare Devils 37; After Thoughts 36; Blue Jays 35; Dead Beats and Odd Balls 347; Busy B's and Thunder Balls 32; Rolling Stones 31; Polka Dots 28; Falcons 22; and Hot Rods 19.

DON'T FORGET THE CARNIVAL SATURDAY

Hansen Rink Wins Lodgepole Bonspiel

Lodgepole Mens Curling Club held a most successful Men's Open Bonspiel during St. Patrick's weekend.

The Glen Hansen rink won the Grand Challenge. The Hansen rink skipped by Rod Macdonald defeated Marshal Vanderploeg in the final. Duane Bolianatz rink took 3rd and the Four-Way Wholesale rink from Edson, fourth.

The MacPherson rink skipped by Bill Fiveland took the second event, defeating the Conservation Board rink of Drayton Valley. Sparrow Electric took 3rd, and Ken Gillis rink, fourth.

Stan Kondratiuk's rink won the third event by defeating the Art Wolf team from Edmonton. The Grant Shearer rink won 3rd and Emil La-Branche, fourth.

The George Leckie rink won the hard luck prize of four skunks for first out of the bonspiel, without a win.

The Curling Club executive would like to thank all the curlers and all the members of the community in helping to make this the biggest and best bonspiel yet.

Congratulations to the winners and to the losers there is always next year.

The executive would like to thank the donors who are as follows: Pemfield Service, Grand Challenge sponsor; Sylake Maintenance, second event; Lodgepole General Store, Third Event; J & A Trucking; Hi-West Well Service; Meraw & McGee Well Service; Continental Emsco; McLean's Well Service; Panky's Electric; M.J. McMahon; Block's Store; Kays' General Store; Lodgepole Sport Shop; Lodgepole Hotel; Lodgepole School; Ed's Royalite.

LODGEPOLE NEWS

Mr. and Mrs. Leonard Kay were weekend visitors to Edmonton. They were the guests of their son and daughter-in-law, Allan and Bernice Kay and attended the Confirmation of their granddaughter and daughter-in-law held in St. David's Anglican Church.

BURTONSVILLE NEWS

Rev. Roy Howell of Winona Lake, Indianna, Director of Service Training for the Free Methodist Church, accompanied by Rev. George Schnell, Pastor of the Idlewild Free Methodist Church of Edmonton and Mrs. Schnell were recent visitors here.

They held a service here and showed films of work being done by youth groups in Canada and other countries. There was a good attendance with groups from Mewasin and Keephills also present.

Eldon and Marge Greanya visited Rev. Kennedy at the hospital Saturday. We are sorry to report that Rev. Kennedy underwent surgery again on March 20th.

Geese have been reported in the area along with a few sightings of other migratory birds. Spring could be close.

Mr. and Mrs. Art Bryant visited Mary and David Tattersall Monday. Mary has not been well and is confined to bed.

EDITORIAL COMMENT

Warn Children Of Ice Danger . . .

Signs of spring are apparent in almost every direction and it's not a moment too soon to remind youngsters of the deadly danger of rotting ice.

Youngsters are enjoying the longer days outdoors under sunny skies. The sun is also at work on the ice covering rivers, creeks and sloughs turning them into traps for the unwary.

Warn your children about the danger of spring ice, particularly during the Easter break that is coming up soon.

A Date for Saturday . . .

A lot of little people in Drayton Valley have put in hours and hours of practicing and rehearsals for their big ice show this weekend in hope that you will take time out to go around to the arena and see what they've accomplished.

Your attendance will encourage them to strive for even greater things next year and you will also help the work of scouting in the community. See you at the Carnival!

Proposes Solution To Litter Problem . . .

Littering of highways, particularly with beer cartons, is an eyesore familiar to all Albertans and one that presents a challenge and a proposed solution by Wilbert D. Smith of R.R. 1, Bashaw.

Mr. Smith, in a letter to The Western Review, suggests that all liquor sold in cartons in any legalized form bear a serial number and the name of the purchaser be recorded along with the serial number. Then, he suggests the name of the litterer will be available to police officers and appropriate action can be taken.

A $100 fine already exists for littering highways and Mr. Smith suggests a further $2500 to help defray investigation and court costs.

No doubt a few $2600 fines would have a pronounced effect on littering and possibly succeed where the present system appears to be failing in keeping the highways clean and Alberta beautiful.

Lenten Meditations

BY REV. ZEKE MARTIN

The Third Word From the Cross - The Word of Care

"Woman, behold your Son, behold your Mother". Jesus came to Calvary after a night of sleeplessness, following the agony in the Garden when the sweat stood like drops of blood on his brow. During the long anguish of the morning He stood for hours with no one to bid him rest, and he was scourged and crowned with thorns and smitten by the soldiers rough palms.

His limbs refused the weight of the Cross on the way. He came to his dying act with every nerve quivering with exhaustion and every muscle crying out with pain. He hung upon the cross with the nails piercing His hands and feet, and He felt the agony of an unappeasable thirst, and that slow chill which told him that the shadow of death was upon him.

Now it is neither wise nor true to the Spirit of St. John's Gospel to make too much of the physical suffering of the Cross for more awful was the travail of his soul. The burden of human sin which He must bear alone, and He felt the approach of that tide of forsakenness which swept for a moment between Him and the Father were agonies no human conscience could fathom.

Here one would expect Jesus to concentrate every thought and word on the great redemption act but He doesn't. Instead He lifts His eyes to look upon his mother. We can imagine the flood of recollection which passed over Him--the home in Nazareth, the feel and pressure of his mother's arms, the tender loving care as His boyhood grew to strength the reverent wondering of her mind as He bore more plainly the marks of his Divinity, and the piercing of her heart as He strained forward to the cross--all of this came back to him.

Now also clear before him rose the picture of her future: the widows loneliness; age feeling its failing strength, poverty and homelessness stinting her of the comforts of life. Here Jesus masters his agony and in brief words never to be forgotten by two of those who heard them, He said, "Woman behold your Son" and then turning to the beloved disciple John, he said, "behold, your mother". The disciple John who understood Jesus best fulfilled His charge by taking her to his own home. Yes, love needs only a hint.

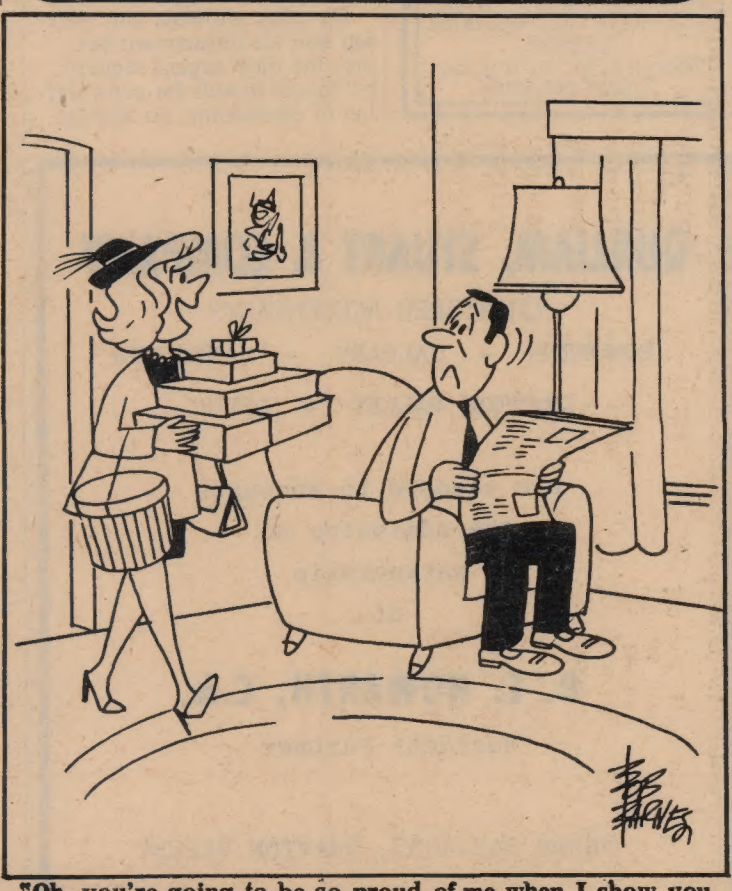
Now while the mother of our Lord had to face the future without the physical Jesus, she still had a family who needed her. This was not the first time her hopes and plans had been shattered, for years before her husband had died leaving her and the children to carry on. She had managed that experience, and since now her dreams were shattered again, she must have realized like most of us do--that she had to rebuild with what life left her.

Mourning for lost opportunities are always vain. We cannot always run away from our circumstances; sometimes we have to accept them and Christianize them but we cannot do this without a deep faith and trust in God. After saying that Mary was among the worshippers, Luke adds "and the brothers of Jesus". The brothers of Jesus made light of his teaching when he was physically alive, but now, they knelt with Mary and the first Christians at Pentecost. It was Mary's conquering Spirit that brought her family to a new faith.

FARM FACTS

Approximately 175,000 acres of winter wheat are grown each year in southwestern Alberta. Winalta, developed by Dr. Mark Grant and associates and licensed in 1961 is the variety most commonly grown.

LAFF OF THE WEEK



"Oh, you're going to be so proud of me when I show you all of the nice things I was able to get for your next three paychecks."

Legislature Report

By Tony Cox

For the first time since 1937 the Social Credit Government has been forced to introduce an interim supply bill to meet its forecast expenditures for the first quarter of the 1968-69 fiscal year. The bill, for $255,-668,621 received first reading in the House Friday. The advance on the government's total budget for the coming fiscal year will be necessary if approval of spending estimates is not concluded by the March 31 deadline.

The leader of the opposition, Mr. Lougheed says he will support interim supply but will continue his "peering under every rock" in the spending estimates until he is satisfied that the money is well spent.

Another first for the Social Credit government is the introduction of a bill paving the way for $50,000,000 worth of direct borrowing. The Treasurer, Mr. Aalborg says the money might be needed to meet the estimated $70,000,000 deficit this year if the province's liquid reserves are exhausted.

Mr. Aalborg admitted under questioning from the Tories that the Alberta Resources Railway had not gone the way the government had hoped. He said there had been no engineering or feasibility studies and that the estimates were based on the CNR's past experience.

The original estimate of $33,000,000 has risen steadily since the inception of the ARR in 1964. There is now a bill before the House authorizing the spending of up to $100,000,000. The annual report of the ARR shows the Corporation exceeded its allowance by more than $11,000,000 as of December 31. The report says tracklaying on the final section to Grande Prairie should be completed by late October.

The Alberta Health Plan apparently does not meet the requirements of federal medicare. A letter from Prime Minister Pearson to Premier Manning, not completely clear on intent, indicated the requirements of the federal act would not be met if individuals entered directly into contracts with commercial carriers.

However, private carriers, such as MSI could be designated agents of the provincial authority to enrol subscribers, receive and remit premiums and forward claims. Premier Manning appeared a little resigned in the House Friday when he spoke of his communications with the Federal Government by calling them, in his words "a complete waste of time". Despite repeated letters, telegrams and delegations the question of medicare is still uncertain, he said.

The Minister for Highways, Mr. Taylor says a driver control board has been established. It will have the authority of a magistrate's court but pertaining only to offences committed under the Highways Traffic Act. The highway construction program is down $10,000,000 from last year because of a lack of funds, added Mr. Taylor. But work on a divided four-lane highway from Airdrie south to Calgary may begin this year and the new Peace River bridge should be open to traffic by August.

University students will receive no help from the Provincial cabinet for the impending increase in tuition fees. Education Minister Mr. Reierson says no additional funds will be diverted for university operating expenses this year.

On other subjects, Mr. Reierson said his department has met the most urgent requests by School Boards for construction of classrooms; no legislation is planned this session for centralization of Catholic schools in rural areas nor is the introduction of sex education into the curriculum being considered.

A computer-age problem of invasion of privacy is being studied by the government. Premier Manning says the increasing use of data processing and computers dealing with classified personal information is causing concern. Legislation may have to be introduced to safeguard the principles of human rights, he said. No action is contemplated concerning electronic eavesdropping devices, added the Premier.

A bill has been introduced under the utilization of the Lands and Forests Act which will permit farmers to borrow interest-free loans of $40 per acre for the clearing levelling or improving land which will be used for agricultural purposes.

A farm group protest over the proposed three cent per gallon increase in gasoline tax is still under review and Lands and Forests Minister, Mr. Ruste is awaiting word from the federal government concerning the exchange of Wood Buffalo National Park for Dinosaur Provincial Park.

Members of the bronze class who will be taking part in the Ice Carnival on March 30th are shown above. Front row, left to right, Sheryl Liske, Rita Saucier, Nita White, Bev Simpson, Colynne Murray, Tammy Sherrow, Pam Reid, Barbara Paley, Debbie Daviduk. Second row, left to right, Ann Cathrea, Linda Muzylouski, Susan Hagman, Heather McKenzie, Cathy Ward, Pat Leckie, Antoinette Krabbe, Cheryl Daviduk. Back row, left to right, Teresa Lingard, Laurie Cathrea, Kathy Barnes, Karen Machan, Diane Wickland, Karen Joyce, Yvonne Domke, Willa Munro, Debbie Woytovicz.

4-H Poster Winner Named

Recently Mr. and Mrs. M. Bruner announced that since the 4-H Club members were selling SMV signs, they would offer a trophy for the best poster advertising this campaign. This contest was extended to the three clubs--Lobstick Beef, Pembina Field Crops and Entwistle Clothing.

The posters were judged on the 18th by three judges, Mrs. T. Mitchell, Mrs. R. Weist and Mrs. B. Tucker who declared they had quite a time coming up with the prize winner.

However, the winner turned out to be Miss Dawn Brown of the Clothing Club and we congratulate this young lady. Dawn's poster had been done in cutouts which required a very steady hand to keep everything even.

There were many fine posters submitted and they all show that the children spent quite a bit of time on them. These posters will now be displayed in various business premises to advertise the Slow Moving Vehicle Signs that the children are selling.

MAGNOLIA NEWS

MRS. G.P. MacDOUGALL
Correspondent.

Betty and Dean Strangway held a whist party at their home Saturday evening, March 16 with six tables in play. First prize winners were Mary Riech and Al Roth, second went to Marie June and Jack Balfour, consolation prizes to Stella MacDougall and Jack MacDougall, door prizes were won by Bonnie MacDougall and Chris Christensen. Out of district guests were Adie and Angus Burke of Entwistle.

Mr. and Mrs. O. McWillis have two of their grandsons, Russ and John visiting them while the boys' parents Lonzo and Sharon are on a trip to Eastern Canada.

Betty McDougall had her sons Jack, Ruth and Lorna of Edmonton and Don home for the weekend.

Maggie and Armando Paron and Teresa of Evansburg, Cis and Ed McCracken of Stony Plain were visitors in the district on Sunday.

Joan Rook and Jimmy of Sangudo were recent guests at the home of Dean and Betty Strangway.

Mary Reich held a quilting bee at her home Wednesday afternoon March 20th with about 15 ladies present.

D.V.U.F.O. Grand Prize Awarded

The D.V.U.F.O. Centennial Sub-Committee has announced the final prize for their Centennial Contest. A D.V.U.F.O. (Drayton Valley Unidentified Floating Object) found near McKinnon Ravine in Edmonton, by Mr. Vern Parranto, 11518 - 90 Street, has been declared as the grand prize winner. A cheque for $50 has been sent to Mr. Parranto by W.G. Johanneson, town Secretary-Treasurer.

Even though the contest is officially closed, Drayton Valley Centennial Coins will still be offered for D.V.U.F.O findings this summer. It is hoped that with the swift and high river waters, some of the D.V.U.F.O.'s will find their way into Eastern Alberta or Saskatchewan.

Too Soon?

Born during a heavy late winter storm, these lambs at Ottawa wonder whether they are too early.

Two Warriors on Pembina All Stars

The High School Pembina Basketball League released the names of the leagues All Star players for 1967-68 this week.

In the boys division two FMHS Warriors, Doug Ibbotson and Larry Metelski, were named to the dream team along with two Thorsby Hornet, Edward Conolly and Harvey Kuzio and one Warburg Trotter Edward Cunningham. These players will be receiving gold medallions in the near future from the League.

In the girls division Warburg dominated with three girls chosen to the girls all star squad from their Gems. These were Margaret Morden, Elaine Mosichie and Janet Mertz. Rounding out the team were Barbara Dorman from Thorsby Hornets and Marion Smith from the Breton five. The girls will also be receiving medallions from the league.

The boys division was won by the FMHS Warriors from Drayton Valley with a 7 and 1 record and the girls division by the Warburg Gems with 8 wins and 0 losses. These two teams will be presented with green and white pennants emblematic of the league championship along with a handsome new trophy.

The final league standings are as follows:

Boys Division:	W	L	Pts
Drayton Valley	7	1	14
Thorsby	6	2	12
Warburg	5	3	10
Winfield	2	6	4
Breton	0	8	0
Girls Division:			
Warburg	8	0	16
Thorsby	6	2	12
Drayton Valley	3	5	6
Breton	2	6	4
Winfield	1	7	2

Carnival proceeds help the Scout Hall to keep going.

Work Progressing on St. John's School Site

Work on the St. John's School of Alberta site near the Genesee bridge is progressing with April 1st set as a tentative date for start of construction.

The site was surveyed free of charge by an Edmonton firm and lots were laid out for the school, staff houses and playfields. An Edmonton contractor has offered to send a "cat" to clear the sites and roads and another to dig basements and level the site free of charge, a spokesman for the school states.

Plans for the school are being processed by the Department of Education Building inspector.

Enrolment the first year will be 60 boys. Already, the school spokesman said, there are more than 200 applications for these 60 openings in grades seven to ten. Forty-five boys have already been accepted. Edmonton and Calgary's share of the enrolment will be 24 boys each and the rest of the province's share will be 12. Headmaster of the school, David Thompson, reports he has had applications for as far ahead as 1972. One application was received from Nairobi, Kenya.

At the end of February, total contributions to the financial campaign were $36,346 which included $16,205 in outstanding pledges. Projected total for April 1 is $400,000.

ENTWISTLE NEWS

MRS. E. OLIVER,
Correspondent.

On March 18th, a Bailer Twine School was held in the Entwistle Hall sponsored by Polli-twine and marketed by Imperial Oil. A fair crowd was present with door prizes going to George Young of Park Court and Mrs. Mary Reich of Magnolia. Lunch was served at the conclusion.

On March 15th, the Entwistle B.P.O. Elks held a social evening at which they burned the mortgage on their home. E.R. Bro. Don Gylander received the mortgage from P.E.R. Bro. Leo Jensen, who stood in for Bro. Berry our banker, in his absence. Trustees Bro. Reid and I. Gylander held the mortgage while P.E.R. Bro. Carl Bjornstad burned it. A very nice gathering were there for the event. One who was very much missed was D.D.G.E.R. Tom Mitchell who is at present sick in hospital.

We have a lovely Elks Home of which we are very proud. The evening was enjoyed by dancing and a lovely lunch was served at midnight.

Don't forget the Elks Bingo which will be held April 13th. Anyone is welcome to come. It will be held in the Elks Hall at 8:30 p.m.

Bill Clarke Sr. was at the Elks meeting on March 14th. He came out with his son Bill and returned that evening.

Mr. and Mrs. H. Borg and family of Elk Point spent most of last week at the home of Evan and Elsie Seedhouse.

Mr. and Mrs. Tom Molineaux and Gary of Edmonton spent Sunday, March 17th at the home of Eleanor and John Oliver.

Gordon Oliver spent the weekend at Jasper doing some skiing.

Little Wally Samson of Edson is spending a few days with his Aunt, Mary Clough and his cousins.

Mrs. A. Canfield of Veteran, is staying with her daughter Mrs. Marlyne Nelson and the family.

The Junior High School pupils at Entwistle school held a very successful candy sale.

POLLUTION BY PESTICIDES

Farmers in Canada can protect their crops from damage or even total destruction, thanks to pesticides, and other chemical agents that rid their fields of harmful insects, plant diseases, weeds, and predators. Farm output would be drastically reduced without these chemical aids to agriculture.

Yet while pesticides can solve problems for farmers, they breed new and serious problems for other creatures – fish, for instance. This happens easily enough through run-off of the toxic chemicals into streams and lakes.

Fish are sensitive creatures. They cannot tolerate even small amounts of pesticides in the waters they frequent. This has been vividly illustrated on occasions when spraying equipment has been cleaned by washing, on stream banks, on when a supposedly empty pesticide container has been tossed carelessly into a stream. Only a few drops of many of these pesticide chemicals in a stream can kill all the fish below the point of entry. Poison used in baits against predators can be similarly harmful when dispersed by the elements.

Chemicals used for eradicating insect pests on the farm, if carelessly introduced to fish-bearing waters, can be equally efficient in destroying organisms on which fish feed. The loss of these food organisms is extremely serious, as it may take years for the supply of valuable species of aquatic insects to build up again. The result is that fish which survive the stream poisoning, if any, or any juvenile fish introduced later, will starve to death for lack of nourishment.

Scientists know as a result of laboratory tests and observations conducted on lakes and streams, that agricultural sprays kill fish. Studies of this problem are being conducted in a great many centers in Canada and the United States.

There have been several instances in Canada of dramatic fish kills resulting from accidental or careless release of chemical pesticides into inland waters. On two occasions in New Brunswick, federal fish hatcheries located on tributary streams to the Saint John River lost almost their entire stocks of young Atlantic salmon and speckled trout. On both occasions, the destruction was traced to agricultural sprays used in the vicinity of the streams.

Incidents such as these have interfered with local stream and lake restocking programs, and have been costly to the people of Canada. Perhaps even more serious, however, are those pesticide spills that go undetected in hundreds of other waters across the country where there are no hatcheries to indicate exactly what has occurred. In these situations, entire lake or stream stocks of fish may be wiped out, and the only reports received will come from disgruntled anglers who fish for hours but catch nothing.

Farmers can help to avoid such wildlife tragedies by exercising care in carrying out crop spray programs near streams and lakes. Co-operation and caution can save fish populations from being wiped out by pollution of their natural habitat.

The federal Department of Fisheries is now distributing a series of posters calling the attention of farmers to this serious hazard to fishery resources. The warnings which are well deserving of strict observances by all farmers, illustrate the following urgent messages:

– DON'T wash spray equipment near natural waters.

– DON'T throw "empty" pesticide containers into natural waters.

– DON'T spray when the wind is blowing towards natural waters.

In addition, the Department of Fisheries has in production two one-minute film clips emphasizing these important messages.

BOWLING RESULTS

MIXED LEAGUE

Standings in the mixed league for the week ending March 15th are as follows:

Monday at 9 p.m. --Hot Shots 66; Satellites 55; Pea Soups 58; Rolling Stones 37; Twilights 37; Hammerheads 45.

Tuesday at 7 p.m. --Comets 57; Diddlers 34; Blue Ribbons 53; Scamps 50; Jays 64; Humbugs 42.

Tuesday at 9 p.m. --Tinkers 73; Dumb Dumbs 55; Bimbos 41; Mr. Clean 40; Untouchables 34; Orbits 56.

Wednesday at 7 p.m. --Nitwits 51; Gay 40's 61; Sloppy Joes 38; Flappers 46; Spurters 46; Tippers 58.

Wednesday at 9 p.m. --We-Blew-Its 49; Miners 51; Falling Stars 50; Kay Jays 58; Pin Killers 46; Swingers 46.

Thursday at 7 p.m. --In Crowd 62; Blackouts 66; Rockets 39; Five Pins 58; Flukers 41; Wayouts 33.

Friday at 9 p.m. --The Wahoos 35; Stinkers 64; Sure Shots 46; Yahoos 40; Smiley's 43; Odds & Ends 72.

Ruby Hurley bowled 229 to take the ladies high single and totalled 601 for the high triple.

Lawrnece Duperron bowled 310 for the mens high single and Amedie Duperron totalled 705 for the mens high triple.

The Pea Soups took the team high single with 1086 pins and the Gay 40's took the team high triple with 2818.

Men's high averages are: Rick Maertz 250; Gordon McMannus 213;Larry Johnson 210; Rick Gabrielson 210; and John Hurley 208.

Ladies high averages are: Eleanor Metzger 193; Gerry Sharkey 189; Betty Bohnet 182; Bea Lainchbury 181; Delia Duperron 178.

MEN'S LEAGUE

Standings in the men's league are: Boo Boos 69; Elkos 31; Old Rams 48; Pin Nutz 45; Fireballs 46; Pickups 61.

Lee Hurley bowled 289 for the high single and totalled 703 to take the high triple. The team high single was taken by the Elkos with 1097 and the high triple was also taken by the Elkos with 3050 pins.

High averages are: Rick Maertz 239; Lee Hurley 221; Stan Metelski 209; Gordon McMannus 206; Emile Hagman 202; and Henry Metzger 202.

LADIES LEAGUE

Standings in the Ladies League for this same week are: Monday--Zero's 72; Crickets 49; Blowers 34; Gay 5's 64; Moby Dolls 50; and Newcomers 29. Tuesday--Nabobs 67; Kookies 61; Drop Outs 50; Old Timers 39; Hurley's Hurlers 42; and Aces 41.

Merle Featherstone took both the high single and high triple with 281 and 739. The Zeros took the team high single with 2031 and totalled 2912 for the high triple.

High averages are: Gerry Sharkey 185; Bea Lainchbury 185; Delia Duperron 184; Eleanor Metzger 181; Betty Bohnet 179.

BANTAM BOWLING

Team standings in the Bantam league for the week ending March 22nd are: Glen 30; Grant 17; Craig 41; Loretta 33; Lenard 21; and John 30.

Deena Davis bowled 163 to take the girls high single and totalled 324 for the girls high double.

John Shewfelt bowled 187 for the boys high single and totalled 318 for the boys high double.

Loretta's team bowled both the team high single and the team high double of 765 and 1474 respectively.

Girls high averages are: Loretta Fowler 136; Vicki Hyrley 136; Deena Davis 133; Brenda Harris 119; and Karen Moody 116.

Boys high averages are Craig Featherstone 180; Grant Gabrielson 163; John Shewfelt 146; Donald Steier 133; and Lenard Lachance 131.

Tomahawk Leads Series

The Tomahawk Totems took a 2-1 lead in the best of five games series with the D. V. Elks for the Drayton Valley and District Bantam Hockey Championship by defeating the Elks 4-2 last Saturday afternoon. The game was played at the Centennial Civic Centre. The Totems led 1-0 at the end of the first period, 3-1 after two sessions and each team scored once in the final frame.

Scoring for Tomahawk were David Lukiniuk and Elmer Zander with two goals each. Zane Reinhart and Greg Matzger scored for the Elks.

Today's typical citizen is the guy who wear's last year's suit and drives this year's car on next year's salary.

Health Hints
from
THE CANADIAN MEDICAL ASSOCIATION

TONSILS DO
SERVE A PURPOSE

Contrary to common belief tonsils do serve a useful purpose, according to The Canadian Medical Association. They contain a great many cells known as lymphocytes which perform a very important function to help protect you from a variety of infections.

Children are exposed to many more infections than the average adult. During this period the tonsils are large. As the child reaches the age of nine or ten, the tonsils become smaller, and by the time adult life is reached, the tonsils have usually served their function and become so small they are difficult to locate.

There are indications for the the removal of tonsils. Among them are repeated tonsil infections, especially if these have been accompanied by infections of the ear or difficulty with hearing due to these infections. Children who have had an abscess around one or both of the tonsils should have the tonsils removed after the acute infection is over. Small children who have difficulty in eating and sleeping because of obstruction from adenoids in the back of the nose or from grossly enlarged tonsils often benefit by having tonsils and adenoids removed.

It should be remembered that tonsils are notably larger in children than in adults, and their presence is beneficial. They do not normally cause loss of appetite, growth problems, convulsions, mental retardation or the host of other conditions they are frequently blamed for, and used as an excuse for their removal.

The removal of tonsils and adenoids is a surgical operation. It should be performed only when there are specific indications. Removal of the tonsils in any other circumstances will not benefit the patient in any shape or form.

Lutheran Ladies Meet

Emmaus Lutheran Ladies Aid held their regular meeting on March 21st at 8 p.m. in the church basement. The Bible Study, Our Church And Others, was continued. Ride On, Ride On, an Easter book for children was purchased for the church library.

The group has adopted a woman patient from the Ponoka Mental Hospital. We will correspond with her, remember her on special occasions, holidays and her birthday and also remember her in our prayers.

Our newly finished church basement will be dedicated on April 28 at 7 p.m. after which a light lunch will be served. The Ladies Aid will purchase flowers for the altar on Easter, also flowers for Confirmation on April 21. A Bazaar and Bake Sale will be held April 27 next to the post office in the former Dental Clinic.

Butter, Cheese Production Down Last Year

OTTAWA--Production of butter and cheddar cheese fell off last year, reports the CDA's Dairy Products Division.

Butter output was estimated at 324.9 million pounds, 8.8 million less than in 1966. It was the fifth consecutive year of declining production. Reductions--ranging from three to 15 per cent--occurred in all provinces except Quebec where output rose by two per cent to reach 144 million pounds.

Cheddar cheese production, which had risen steadily in recent years, took a reverse direction last year. Production is estimated at 159 million pounds, or nearly 1.8 million less than in 1966.

ALDER FLATS NEWS

BERNICE JOHNSON
Correspondent

Mr. and Mrs. Rodney Forth of Wetaskiwin have been visitors at the Bill Ring and Paul Simon homes, the past two weekends.

Mrs. Elain Nerdahl was hostess for a liquid embroidery tea held in her home Wednesday evening.

On Thursday evening the Covenant Ladies held their regular monthly meeting at the Paul Simon home.

The Klondike dance held last Friday evening was well attended by Alder Flaters and the surrounding communities. Mrs. Rupertus took first prize for her costume and Mrs. Bernice Johnson placed second. Wally Ushko received first for the best dressed man, whereas R. Rupertus took second. Norman Walters was judged for the best beard. The judges for this year were Mrs. M. Pye, Mrs. Al Wacher and Roy Nerdahl.

Mrs. Julia Chapchuk has been at Penticton, B.C. for the past two weeks visiting her sister and brother-in-law, Mr. and Mrs. Nick Stashako.

Lars Larson and Andrew Larson took Mrs. A. Larson to an Edmonton hospital last week.

Joe Tainer was rushed to Edmonton for an emergency operation recently.

On Sunday the 17th, Pastor Larry Fullerton presented a Billy Graham film, "Leighton Ford", to the congregation.

The Forchuk rink took first prize in the first event at the Farmers Bonspiel held last weekend at Warburg. Curling on the team were, Donnie Maciborsky skip, Victor Forchuk third, Dennis Maciborsky second and Paul Poudrier as lead. They all were very pleased and proud to bring home the electric fry pans and trophies they had won. Congratulations.

Sporting new cars out here are, Schuyler Durant and Ben Chapchuk.

Mr. and Mrs. James Maciborsky of Wetaskiwin were Sunday dinner guests at Steve Stefuras and supper guests at the Pete Maciborski home. Joan and June spent the day visiting with Linda.

Mr. and Mrs. Jake Seibel and Mr. and Mrs. Jim Ledingham of Edmonton were weekend visitors with the Wennerstroms, they also attended the Klondike dance.

Buck Lake Hall was the setting for the Mother and daughter Girl Guide and Brownie banquet, Sunday evening the 17th. A delicious ham and turkey supper with all the trimmings was served. The program and movie film was much enjoyed. The guest speaker, Mrs. Dyke of Wetaskiwin was most enjoyable to listen to and gave a very inspiring speech.

The Beaver Drilling rig that has been here for some time moved to Greencourt last Wednesday. Harold Johnson will be employed with them there also.

Mrs. Coleen Chapchuk is back home again after spending a few days with her Mother at Valleyview. Jim is also back home again.

Harvey Miller and Paul Poudrier have left for the north country again after spending a few days at home.

Veigo Kellgren has left for the Yukon, where he will be employed with Kiss Construction.

Mr. and Mrs. Sandy Hucal and girls of Red Deer were weekend visitors with Metro Chapchuk.

Debbie Johnson was to Edmonton on Monday to have more allergy tests taken.

Heating bills? ... some Canadians really have to shell out!

Heating bills? You know what the average Albertan pays?

Well, by comparison, peanuts!

How come?

Gas makes the big difference.

Albertans enjoy the lowest gas rates on the North American Continent — a big bonus in fuel savings. For economy, cleanliness and dependability . . . nothing can beat natural gas heat!

northwestern utilities, limited

Breton Plots Show Sharp Increases With Soil Tests

Testing soils and then applying the appropriate type and amount of fertilizer on the Breton Plots showed increases of up to $3.97 per acre over plots where general recommendations for fertilizer had been followed.

This fact emerged from a four-year study on the university-owned Breton Plots by Dr. J.A. Toogood, head, Soils Science Department, University of Alberta.

Without a soil test, a farmer must depend on his own experience and the general recommendations for his area in determining what fertilizers to use. On the basis of a soil test the Provincial Soil Testing Laboratory makes a specific recommendation as to what kind and amount of plant nutrients to use. This is likely to result in more profitable fertilizer use, according to the Breton Plot tests.

Dr. Toogood says the plots are located on Dark Grey-Wooded soil and wheat, oats, barley and hay crops have been used in the testing program. On one set of plots general fertilizer recommendations for the area were used. On the other set fertilizer applications were based on soil tests and recommendations made by the Soil Testing Laboratory.

The increase in yields resulting from fertilizer use were evaluated using $1.60/bu. for wheat, $1.00/bu. for barley, $0.65/bu. for oats, and $20/ton for hay. Costs of fertilizers were subtracted to get net returns from the use of fertilizers. These were the results, averaged for the four years 1964-67.

	Net Returns From Standard Fert. Recommendations	Net Returns From Soil Test Lab. Recommendations
Wheat - Grown in a wheat-fallow cropping system.	$2.05/ac.	$5.68/ac
Wheat - Grown in a five year rotation W-O-B-hay-hay	7.77	11.59
Oats - Grown in above rotation	7.74	9.66
Barley - Grown in above rotation	5.34	4.78
Hay - 1st yr. in above rotation	1.29	0.78
2nd yr. in above rotation	10.76	14.73

For the barley in rotation and the first-year hay yields there did not appear to be much advantage in getting the soil from the Breton Plots tested. For the other crops the increased net returns from use of fertilizer varied from $2.22 to $3.97 per acre.

In most Alberta fields soils vary so much that the area represented by a single composite soil sample should seldom be more than 20 acres. The cost of soil testing, $2.00 per sample, and time and effort in getting the sample, is a small investment for increased net returns from fertilizer of up to $80 for a 20-acre field.

The efficient farm manager of the 1970's will undoubtedly be testing his soil annually to maximize his profits from investment in fertilizers, Dr. Toogood concluded.

EVANSBURG

MRS. M. BRUNER,
Correspondent

Spring must be here at last; even the baby animals have started arriving at our place. The other day a sprightly calf made its appearance as the first arrival in the barnyard.

The flu, tho', doesn't seem to be in a hurry to depart for parts unknown as there are still several people suffering with it. For two weeks now there has been one or two members of our family down sick and it seems a long time since all the boys have all been at school at once.

The Agricultural Society sponsored a bingo at the Wildwood Community Hall last week and declared a fair success of the evening. Everyone wishing to have a look (and perhaps take a chance?) on the quilt the ladies of the Society are raffling, may do so as they attend the FUA convention and smorgasborg dinner at the Wildwood Hall on March 29th.

March 29th is an important date as well for the 4-H Club members in the district as this is the night some of them will be speaking in the public speaking contest at Tomahawk Hall. May the contestants have good luck.

The milk producers of the area held their annual banquet at the Legion Hall here on the 15th.

The Volunteer Firemen held their regular meeting recently.

A building made its arrival in town the other day. This building was moved by Mr. Ivan Brown of Entwistle for the new machine shop he is building here. Speaking of the Browns, I imagine by the time you are reading this, they will have seen quite a few of the European high spots marked on their tour of Europe. They were to have left on the tour on March 23rd.

The Holly Springs Community Hall was prettily decorated on the 17th when the people of the community gathered together to have a bridal shower for Mr. and Mrs. Harry Tucker. The Harry Tuckers live in Calgary just now but Harry grew up in the Holly Springs district.

Two of the members of the 4-H Club were lucky bearers home of trophies when they went curling and bowling in Edmonton recently. Both were in the second place winning teams. These members were Byron Brown of the Field Crops Club who won at curling and Mark Gerrard a member of both the Field Crops Club and the Beef Club, won his trophy at bowling.

Bingo Winner

Doug Fitzgerald, formerly of Drayton Valley, accompanied by his wife Mary, a bingo fan, and a group of friends, attended the bingo at the Edmonton Gardens on Wednesday March 20th. Mr. Fitzgerald, who doesn't enjoy the game, walked out of the Gardens $1,000 richer.

FARM FACTS

Nursing pigs do not receive sufficient iron from sow's milk. If iron is not provided, nutritional anemia will develop, causing weak, pale and listless pigs. This condition is often accompanied by scours, heavy breathing and death.

Ft. Sask. Huskies Eliminate Rebels

The Drayton Valley Rebels reached the end of the Provincial Playdown trail last Sunday in Fort Saskatchewan as they dropped a 9-2 game to the Huskies. The Fort team led the two-game total point series going into Sunday's game by virtue of a 5-3 victory over the Rebels at the Centennial Civic Centre last Thursday evening. Consequently the polished young Huskies took the series by a 14-5 score.

In the series opener on Thursday, the hustling Huskies took an early lead, and with the help of sensational goal tending by Roy Turner, they never looked back.

Bill Prims scored for the Fort team after 46 seconds of play, on a goalmouth pass from Nelson McBride. From here on in the first period the Huskies kept on the pressure while the Rebels seemed to have trouble getting an attack under way.

Two quick goals one from Rick Chillington from McBride at 18:20 and another from the stick of Dave Herbert on a play from Don McIntyre at 18:58 put the Huskies up 3-0 and this was how things stood after one period of play.

The Rebels were a fired up hockey team as they came out for the second period. They carried the play to the Huskies throughout the session and peppered Roy Turner in the Fort net with no less than 19 shots. Jim Dunn scored for the Rebels at 16:10 on a play from Barry Solnes to make it a 3-1 hockey game. Only a sensational performance by Turner kept the score in favor of the Huskies at this point.

The Rebels kept on the pressure going into the third period and Frank Novosel scored on a beautiful play from Dunn at the thirty-three second mark and it was a 3-2 game.

Turner pulled off another series of spectacular saves in the next five minutes and the Fort team seemed to redeem their earlier form and carry the game to the Rebels. McIntyre rammed home a puck in a wild scramble in front of the Rebel net at 8:15 to make it 4-2 for the visitors and four minutes later the score was 5-2 in favor of the Huskies when Thomlinson counted on a long drive after taking a rink wide pass from Chillington.

Barry Ness closed out the scoring with a beautiful goal that clearly beat Turner from about twenty feet out. Garry Pankewicz drew an assist on the play. This kept the Rebels within striking distance of the rampaging Huskies going into Sunday's game.

The Rebels started strong in Sunday's contest but deplorable ice conditions slowed the game down and the younger Fort team seemed to be able to adjust to those conditions better than the visiting Rebels. However, it was not a Rebel day and the host team took command and took a healthy lead to put the series beyond reach of the battling Rebels. Once again Turner played a great game in the nets turning aside an early Rebel threat and cooly handling the hot ones as he is in the habit of doing.

Barry Ness and Ron Hemmingway were the Drayton scorers in Sunday's game.

The Huskies now go on to play the Stettler Imperials winners of the Southern series for the Provincial Championship. This series is due to be finished by next Sunday.

THE WESTERN REVIEW

Drayton Valley, Alberta

Vol. IV, No. 13 Mar. 27, 1968

Teachers Undertake Inservice Science Program

The teachers of the Stony Plain Local are planning an inservice program to study the new program in elementary science. The new science program is effective September 1968 in grades 1 to 6 inclusive. Elementary teachers from Drayton Valley, Lodgepole, Entwistle, Tomahawk, and Seba Beach are meeting Tuesday, March 26 at St. Anthony's School.

Mr. Larry Bezeau of the Faculty of Education of the University of Alberta will present a short lecture on the new science program. Following this the teachers will meet in groups by grade to discuss the application of the general concepts of the elementary science program to the specific grades.

This is the second part in a series of programs to familiarize elementary teachers with the new program. The first was a talk at the teachers' convention. The third part of the series will be held in late April or early May.

The study program for the teachers has been developed by the Professional Development Committee of the Stony Plain of the Alberta Teachers' Association under the chairmanship of Mr. E. Smith of Entwistle in consultation with Mr. H. Toews, Superintendent for Stony Plain S. D.

Elks - Totems Meet in Final Wed. Night

With the best of five games series tied at two games each the Tomahawk Totems take on the Drayton Valley Elks in the fifth and deciding game Wed. March 27. The game is scheduled for the Centennial Civic Centre at 8:00 p.m.

The competition between these two teams in the Drayton Valley and District Bantam Hockey League has been very keen all season long and Wednesday's game will feature the entire season wrapped into one last effort on the part of both teams. The winner of this game will carry away the Rotary Trophy emblematic of the league championship. The trophy will be presented to the winning team immediately following the game by the President of the Drayton Valley Rotary Club, Mr. Fred Raven.

In all likelihood this will be the final game of our entire Minor Hockey program this season. It could not be a more fitting or climatic finish than have those two fine little teams battling it out for top honors.

Cancer Canvass During April

April is Cancer month. Volunteer canvassers will be canvassing the town of Drayton Valley the first week in April. Please be ready with a donation when the canvasser calls at your home.

One does not need to be reminded of the great work that can be done for research, education and patient services through your generous donation

It's alright to vote for the best man, but chances are you're not running.

D. V. Highlights

BY MRS. EDITH DEBY

Mr. and Mrs. Ross Jevne have purchased a house in Drayton Valley and will be moving from Edmonton about the middle of next month. Welcome to Drayton Valley Mr. and Mrs. Jevne.

Mrs. William Drake, the first white woman to live in this district passed away recently in Edmonton. It was Mrs. Drake who gave the district a name calling it after her old home town, Drayton, in England. Our sympathy is extended to Mrs. Drake's family at this time.

Mrs. Leona Riesterer has been pressed into service to help with the large volume of work which this time of year always brings to the town office.

We were sorry to learn that Mr. Clint Vickrey, formerly of this district, has had a stroke and is in a Creston hospital.

Larry Beckett has just returned from Olds where he attended a semester at O.A.V.C. Larry was presented with the Major Drama Award this year for his direction of "The Boor" which was presented at the Western Intercollegiate Conference held at.Lethbridge on Cultural Weekend. Heartiest congratulations, Larry.

Sorry to hear that Mr. and Mrs. Dalton Brown plan to leave us in the near future to make their home in Edmonton.

Mrs. Gus Dusterhoft is a patient in the local hospital. Get well soon, Mrs. Dusterhoft.

Some fight for principles at stake; others just want the steak.

Photo Collection Delivered

One of the first responsibilities of newly appointed Provincial Archivist, Alan Ridge (right) was to accept delivery of the Ernest Brown Historical Photograph Collection from Film Commissioner K. Hutchison (left). The collection has been held for safekeeping by the Film Commissioner for a number of years, and will now become a permanent part of the Provincial Archives. Photographs from the collection will be displayed at various times in the Archives Display area of the Provincial Museum & Archives, 12845 - 102 Avenue, Edmonton.

Sitters' Course Nears Completion

The first Babysitters' Course, sponsored by the Drayton Valley Oil Wives Club, and following the complete course program as put out by the Alberta Safety Council, is near completion. This is a program designed to promote child safety and parents' peace of mind.

Registration for the first course was held on February 22nd with two separate classes starting on February 23rd and 26th. The total enrollment of girls and boys is 57.

The course consists of six lessons under the headings of Ethics of Babysitting, Child Care, First Aid, Fires, Safety, and a Skit and Panel Discussion.

Each student is required to spend six hours under the supervision of a mother caring for a child up to the age of five years to gain practical experience. The students will be evaluated on this time as a Mothers' Helper.

The sixth lesson of the course is of special interest to parents of students in the classes and all parents who hire babysitters. Parents are invited to attend a skit and panel discussion on problems related to babysitting from both the parents view as well as the sitters on either Monday, April 1st or Friday, April 5th at 4:00 p.m. in Room 1 of the Junior High School.

The final examination for both classes will be held on Monday, April 8th. At this time the students will also pass in the notebooks they have been keeping during the course for correction. The students have been most enthusiastic about the course and are eager with questions.'

The course leader is Mrs. Marilyn MacLean and assistant leader Mrs. Lil Ross. We have been fortunate in having several resource people lecture and demonstrate to our classes. They include: Father Lynch who spoke on the ethics of babysitting, Mrs. Betty McGee spoke as the mother of a sitter, and Mrs. Eunice Lyle discussed the obligations of a parent who hires babysitters; Nurses Mrs. Barbara Davies and Mrs. Vi Landry gave a talk and demonstration on the feeding and bathing of a baby and simple bandaging. Dr. Eustace and Dr. Voth discussed first aid and the treatment that can be given by a babysitter; teacher Mrs. Mary Hemmingway spoke on behavior problems in children and how best to deal with them and Kindergarten teacher Mrs. Rosemary Mayan spoke and demonstrated on the entertaining of a child using various crafts; Fire Chief Greiner discussed the causes of fire and what to do in case of fire and the importance of exits, etc., and Town Police Chief Doig advised the students what to do in the event of prowlers, to keep doors locked, have emergency numbers close at hand and not invite in company. Films and filmstrips have been incorporated with the lessons.

We wish to thank the above mentioned resource people, the mothers who took students as mothers helpers, and all those who have given so freely of their time and energies in making this course possible. Also our deep appreciation to Mr. B. Richer and the staff of the Junior High School for the use of their facilities.

BUCK CREEK NEWS

Mr. and Mrs. Henning Hallgren's family and a few friends gathered at their home to celebrate their 38th wedding anniversary. We wish you many more.

Weekend guests at the home of Mr. Harry Nielson were Mr. Bruno Knudskov and family.

The Willing Workers Social and Dance attracted a huge crowd. Everybody enjoyed the fine food and had lots of fun dancing and chatting.

THE RED CROSS IS PEOPLE LIKE YOU HELPING PEOPLE LIKE YOU

Surrounded by white uniforms a Wildwood player attempts to break out during the girls final at the Junior Tournament held here last weekend. Wildwood went on to win the game and the top trophy.

Wildwood Teams Sweep Tournament

St. Anthony's School and Drayton Valley Junior High School jointly sponsored a basketball tournament Saturday, March 23. The participating teams included Wildwood, Tomahawk, Breton, Drayton Valley Junior High, and St. Anthony's.

St. Anthony's Angels and the Drayton Junior High girls fought an extremely good game with the Angels proceeding to the final on a score of 5 to 4. In the final, the Angels yielded first place to the Wildwood girls by a score of 14 to 24.

St. Anthony's Saints faced Wildwood boys in the very tense final, each team alternately taking the lead by 1 or 2 points. Both teams were excellent and provided an interesting and fast moving game right down to the last minute of play. Wildwood managed 23 points to the Saints' 20.

Wildwood boys and girls went went home with the first place trophies, while St. Anthony's boys and girls gained second place trophies.

Library Adds Several Books

Warned you, didn't I, that in the words of the great Bob Edwards this column would "appear semi-occasionally".

Business at the library has been far from dormant although we may not have been talking about it as much as we might.

Circulation in the adult book section has increased noticeably in the last few months.

In this department there are several additions this week. Among them one finds "Gone a Hundred Miles" by Heather Ross Miller who tells of a young doctor's practice in North Carolina in the early 1800's. "The Magnificent Traitor" is set in the golden age of Pericles. For all historical novel enthusiasts. The title "Dead by the Light of the Moon" is self explanatory, wouldn't you say? Yes, we have "I Never Promised You a Rose Garden" by Hannah Green If you liked "The Flower Drum Song" you will want to read "The Land of the Golden Mountain" by the same author, C.Y. Lee. If you like British history don't miss "Catherine, the Queen".

Kindergarten Meets Need Of Curious Five Year Olds

The Drayton Valley Community Kindergarten was officially started in 1961 as a nursery school and as of September, 1963 was licensed and approved by the Department of Education. This license must be renewed each term and many specifications filled before the license and the approval are received from the government.

Some specifications include (1) employment of a qualified teacher (2) inspection of the classrooms by the local Sanitary Inspector, (Edson Health Unit) and by the Provincial Fire Commissioner, (3) Number of students in each class must not exceed 20.

The circular emphasis is upon interpreting and enriching the experience of the preschool child--teaching him good habits of social living out outside the home. The children learn all the arts of self-expression, such as dancing, playing games, painting, constructing, singing and reciting.

The five-year-old is restless curious and enthusiastic and kindergarten provides him the opportunity to have qualified direction to answer his many questions, guide him in imaginative play and to encourage his imagination. Experts contend that half of a 17 year old's intelligence is developed by the time he is four, another 30% between four and eight. It would appear then that a child's power for learning is almost at its greatest at the age of five.

Kindergarten is needed for the well-adjusted child to develop his intellectual needs, to satisfy his restlessness and to encourage his enthusiasm. However, it is needed even more by the shy child, the pampered child or the child with a speech impediment. These children are given a chance to develop emotionally before reaching the more formal atmosphere of grade one.

NOTICE

TRADE OF FLOOR COVERING MECHANIC

The Provincial Apprenticeship Board, having heard and considered requests from industry, has recommended to the Minister of Labour that the trade of the FLOOR COVERING MECHANIC be designated as a trade to which The Apprenticeship Act applies.

The work of the Floor Covering Mechanic generally includes those techniques required for the installation of resilient floor covering materials.

Elks Tie Tomahawk

The Drayton Valley Elks came back to deadlock the local Bantam final series with the Tomahawk Totems at two games each by defeating the Totems 2-1 at the Centennial Civic Centre Monday night. The five game series is now reduced to one game which will be played at the Civic Centre at 8:30 p.m. Wednesday evening.

Monday's game featured the closest game of the series to date. After a scoreless first period the Elks took the lead on a goal by Don Whelen at the six minute mark of the second session. Elmer Zander tied the score for the Totems at 11:00 and it was 1-1 at the end of the second canto.

The third period featured hard, close hockey all the way with little to choose between the teams. Jay Meraw scored the winning goal for the Elks on a pass from Don Whelan at 17:30.

The Totems tried desperately to tie the score in the closing moments of the game, especially when the Elks were playing shorthanded during the final minute and a half of play but the Elks held on for their victory.

Tomahawk had a decided territorial edge in play through throughout the game, however, Jim Tucker was sensational in the Elks nets making save after save to keep the Purple and White squad in contention.

A woman smart enough to ask a man's advice is seldom dumb enough to take it.

Members of the preliminary group who will appear in the Ice Carnival on March 30th are shown above. Back row, Laurie McKenzie, Marlene Daviduk, Toni Lyn Lukach, Tracy Gottschalk. Second row, left to right, Gloria Stec, Charlene Domke, Lorraine Pequin, Kerri Mills, Sandra Henderson. Front row, left to right, Faith Herold, Shannon Cooke, Loreen Novosel, Michelle Shimbashi, Gail McKay.

Letters to the Editor

The Editor,
The Western Review
Drayton Valley, Alberta.

Sir:

It would be appreciated if you would allow me a small space in your columns to air my complaint regarding statements that have been circulated in the district regarding Nor-Can Minerals Ltd.

Certain critics are active in making suggestions that Nor-Can Minerals Ltd. or at least its officers are nothing more than a group of share promoters with nothing to offer its members as or investors of any concrete value.

Sir: As president and general manager of the company I would like to deny any and all such damaging statements.

The facts are, Nor-Can Minerals Ltd. is an active, progressive and prosperous minmining exploration company that is going places.

The company is presently exploring two copper properties and one very attractive silver property. Also the company recently optioned a copper property to BEVCO MINES LTD. (NPL) a Vancouver Co. on a three year option which will net Nor-Can approximately $1,000,000 the first year and is obligated to pay Nor-Can $100,000 per year to production and 20% of production thereafter.

Sir, I feel our critics should do more investigating and less gossip.

C.C. Bevan.

Announce Plan For Cattle Import

OTTAWA - Agriculture Minister J. J. Greene announced this week that his Department is this year again proceeding to arrange for an importation of cattle from France and Switzerland, providing the disease situation in these countries continues to remain favourable.

The purpose of the program is to make available in Canada breeding stock which can add to the economy and efficiency of Canadian Livestock production.

"I understand animal geneticists are agreed that in order to ensure maximum benefit to the Canadian beef industry from these importations, we should develop in this country self-sustaining breeding herds of these animals as rapidly as possible" said Mr. Greene.

Mechanics Course At Olds and Fairview

The first year of the Southern Alberta Institute of Technology's two year agricultural mechanics course will be transferred to the Olds Agricultural and Vocational College this fall. The second year of the course will be transferred in the fall of 1969.

In making this announcemen D. Campbell, principal of S.A.I.T., said that the transfer of the course, which is in keeping with federal and provincial policy, indicates recognition of the up-grading to the technical level of agricultural college programs, staff and facilites. There is a possibility that some of the S.A.I.T. staff will also be transferred.

J. E. Hawker, director of the Alberta Agricultural and Vocational Colleges, reports that a similar agricultural mechanics program will be started at the Fairview College when the S.A.I.T. course is transferred to Olds.

Both the Olds and Fairview courses will be directed by an advisory committee which will have a good representation from the farm equipment industry. The committees will advise the Department of Agriculture on training programs and see that enough graduates are provided to meet the expanding needs of the equipment industry.

Further information on the mechanics course scheduled for the Olds and Fairview Agricultural and Vocational Colleges this fall can be obtained from their respective principals.

VIOLET GROVE NEWS

Mr. and Mrs. George Clay of Victoria, B.C. are spending a few days visiting the Allens.

Roland Pequin was home for a few days visit with the family.

Dona Arndt wishes to extend sincere thanks to the Violet Grove teenage club for the wonderful party and an extra special thanks for the gift that will be a reminder of her many friends here for years to come.

May Sodergren visited her mother and family in Calgary for a week.

Congratulations to Marilyn Sodergren who exchanged marriage vows with Calvin Ross Patterson of Rolling Hills, Alberta on March 22nd in St. Paul's United Church, Calgary on March 22nd. They will be visiting her parents during the Easter weekend.

Judy Verigan and Dave Jr. are visiting the Sodergren family and friends for two weeks.

Don't forget the monthly meeting of Violet Grove Community League to be held at the hall on Tuesday, April 2nd at 8 p.m.

May 4th Guides Cookie Day

Information from the Alberta Council of the Girl Guides of Canada indicates that Girl Guide Cookie Day will be held in Alberta this year on Saturday, May 4th.

Proceeds from the sale of cookies help finance camping, arts and crafts and many other activities in this important citizenship program.

"How did you make out in that fight with your wife last night?"

"Aw, she came crawling to me on her hands and knees."

"Yeah, what did she say?"

"Come out from under that bed, you coward."

"Gordie Howe stick, Bobby Hull skates, Davy Keon gloves . . . and still I'm lousy!"

Local Boxers Take Part In Northern Championships

Last Saturday in Edmonton the following amateur boxers from Drayton Valley and Breton participated in the Northern Alberta Championships: Len Lachance, Drayton Valley, 85 lbs. Junior Class; Ron Haggerty Drayton Valley 90 lbs. Junior Class; Larry Shewfelt, Drayton Valley, 95 lbs. Junior Class; Richard Townsend, Drayton Valley, 110 lbs. Junior Class; Walter Mastre, Drayton Valley 132 lbs. Novice Class; Dale Johnson, Drayton Valley, 139 lbs. Novice Class; Larry Ellis, Breton, 147 lbs. Novice Class; John Teeter, Drayton Valley, 156 lbs. Novice Class; Alec Horvath, Breton, 178 lbs. Novice Class.

Even though these boxers met opponents with more experience, they provided stiff competition for the other participating clubs.

In gaining a victory over tough Brian Lee of Hinton, Ron Haggerty captured the 90 lbs. Junior Class Northern Alberta Championship. Alec Horvath also came away as a Northern Alberta Champion when he was unopposed in the 178 lbs. Novice Class.

Although the others lost by close decisions, four were named runner-ups to the Northern Alberta Champions because of the lack of additional opposition in their classes. These four were Richard Townsend, Dale Johnson, Larry Ellis, and John Teeter.

Ron Haggerty and Alec Horvath will now be participating in the Provincial Championships in Calgary on April 20th when they will meet the Southern Alberta Champions.

Boxers from Hinton, Edmonton, Drayton Valley, and Breton may be seen in action in Breton next Saturday, March 30th when the Breton Boxing Club presents its second card of the season. Fight time is at 7:30 p.m. in the Breton High School auditorium.

YOUR ADVERTISEMENT IN THE WESTERN REVIEW IS SEEN IN 2600 HOMES WEEKLY

RAMONA

MRS. JEAN STEWART
Correspondent.

Congratulations to John and Mary Blatkewietz on the birth of their son Dale Joseph, a brother for Ronnie, Joy-Ann and Donnie. Mary and Dale came home on Sunday. You better behave yourself now Joy-Ann, you're outnumbered.

Phyllis Kelly and Eleanor Davis made a trip to Didsbury last Tuesday to visit Phyllis' father, Mr. and Mrs. Mercer. Then Saturday morning they went to Slave Lake for the weekend. They report a very good time. They say the mud up there is worse than in Drayton Valley.

Marge Pollard spent last week in Edmonton visiting her mother.

Bob and Dolores Stewart and family were visiting in the district on Sunday.

Andy Kmyta and family from Camrose were visiting Andy's folks Mr. and Mrs. Mike Kmyta on the weekend.

Most homes in the district have their new telephones in. They aren't working yet but won't it be nice when they are?

Spring must be here. Last Thursday Chrissie Stewart found a dandelion flower.

Kurt Kelly spent the weekend at the Stewarts, and Terry Kelly and Keith Davis Jr. spent Sunday at Stewarts. Gordon Kelly spent the weekend with the Clarence Kelly family, and Donna spent the weekend with Dixie Davis while Deanna and Kelly Davis spent the weekend with the Cecil Kelly family. Joe and Carol Kelly babysat the Kelly and Davis children on the weekend.

Mr. Otto Guze, Mr. Gordon Thomas, Mr. Stan Romanchuk and Mr. Sharkey took the 4-H Beef Club to Edmonton Monday to the stock show and Rodeo. 4-H'ers from our district who went to Edmonton were Marilyn and Robert Rasmussen, Ronnie Kos and Darlene Stewart. Darlene says they all enjoyed themselves very much. Many thanks to the people who took them in and made their day an enjoyable one.

"Have any of your childhood hopes been realized?"
"Yea. When mother used to pull my hair I wished that I didn"t have any.

If you own 1959 Canada Savings Bonds

Here's a special offer just for you

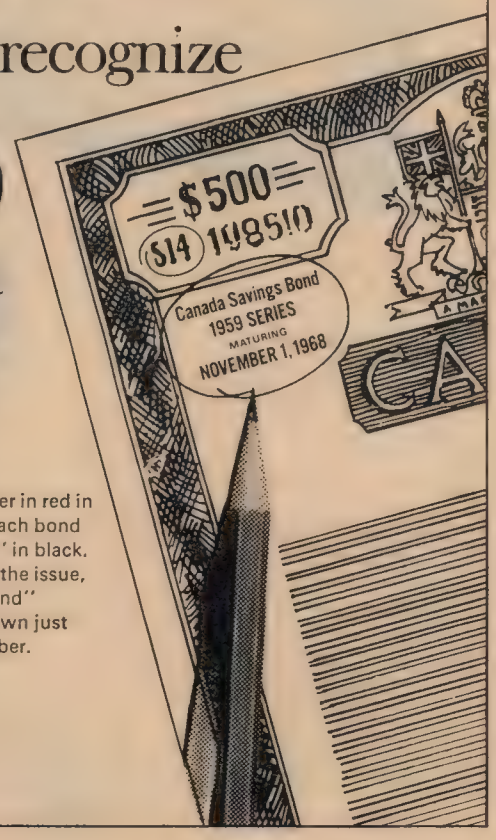
The Government of Canada has created a special new high-yielding security for the advance refunding of 1959 Canada Savings Bonds. These Special Replacement Bonds will be dated May 1, 1968, and will mature in 10 years 5 months on October 1, 1978. They will be available only in exchange for an equal amount of 1959 Canada Savings Bonds, and not for cash. **Their average annual yield to maturity will be 6.88%.** They will retain all the standard features which have made Canada Savings Bonds the most popular investment in Canada's history. This includes the right to cash them any time at any bank for full face value plus earned interest.

In addition, Special Replacement Bonds offer the opportunity to double your money. If you choose not to cash your regular interest coupons during the life of the bond, 3 Compound Interest Certificates then become payable for a total of $280.00 extra (on each $1,000.00 bond). **This amount plus your regular interest coupons doubles your money.** You can take advantage of this compound interest feature in various ways.

And that's not all. There will be two Prepayment Coupons, cashable May 1, 1968, attached to each Special Replacement Bond. They represent the **6 months' interest already earned by your old bond** and the **prepayment of the 3% non-taxable premium originally due November 1, 1968.** On a $1,000.00 bond, these two Prepayment Coupons will be worth a total of $55.00.

The exchange procedure is simple. Take your 1959 Canada Savings Bonds to your bank, authorized investment dealer, trust or loan company. They will make all arrangements for you. Exchange your 1959 Canada Savings Bonds for the new high-yielding Special Replacement Bonds without delay. **This offer expires on May 15, 1968.**

How to recognize your 1959 Canada Savings Bonds



First, the serial number in red in the upper corner of each bond is preceded by "S14" in black. Second, the name of the issue, "Canada Savings Bond" "1959 Series" is shown just below the serial number.

All Star Selections

All-Star players selected from each team playing in the Junior Basketball Tournament last weekend are shown here. Front row, left to right, Joy Meraw, St. Anthony's, Cheryl Daviduk, D.V.J.H., and Lois Rheil, Wildwood. Rear row, left to right, Bruce Gossel, D.V.J.H., Tom McGee, St. Anthony's, Jim Chopko, Wildwood and Mr. A. Baker, D.V.J.H. Missing from the photo were Dennis Carson, Breton and Dorothy Leskie, Tomahawk.

Wild Oats Responsible For Yield Decreases

Did you know that a moderate wild oat infestation (10 to 20 plants per square yard) reduces barley yields by 15 per cent, spring rye by 27 per cent wheat by 33 per cent, oats by 49 per cent and flax by 84 per cent? These yield decreases were shown in experiments carried out by the late Dr. Pavlychenko at the University of Saskatchewan.

A single wild oat plant can shed as many as 250 seeds. Even if a high percentage of these seeds rot in the ground, the few that are left can change a light wild oat infestation into a heavy one in a very short time. A very significant acreage of cultivated land in Alberta is moderately and heavily infested.

Although cultural wild oat control, especially delayed seeding that is practised for a number of years, can greatly reduce wild oats; this method is not always practical. The two main drawbacks are the weather, which is not always co-operative, and the necessity of having to plant an early-maturing crop, which usually means sacrificing yeilds for earliness. The late-maturing and newer barley varieties like Jubilee, Galt and Conquest are considerably higher yielding than the early maturing Olli. Also, crops which are planted early get a better start because they can take advantage of the spring moisture.

W. Lobay, head of the Weed Control Branch of the Alberta Plant Industry Division, reports that many farmers are now turning to herbicides for wild oat control. They suit our paticular type of crop production and give farmers a greater choice in their cropping programs. Cultural control which can fit into a particular program should not be disregarded, however. Herbi cides should not be considered as a substitute for good husbandry practices.

A survey of herbicides used in the prairie provinces last year showed that 1,304,000 acres of crop land were treated with these chemicals, and that 32 per cent of this acreage was in Alberta. The Alberta figure represents a substantial increase over the 1966 treated acreage, and indicates the extent to which farmers in this province have accepted the use of chemicals for wild oat control.

There are two types of wild oat control herbicides on the market. The pre-emergent type, diallate and triallate (avadex and Avadex BW), and the post-emergent type, barban (Carbyne), both of which have generally proved satisfactory in Alberta, according to Mr. Lobay.

The man was selecting some hunting equipment. He was baffled by a compass that had a mirror on the back.
"Whats the mirror for?" he asked the clerk.
"Well," said the clerk, "you look in ther-and it will tell you who"s lost."

CASCADE ...that's the Pilsener!

CASCADE
PILSENER
MADE
UNION
An Original brew from the recipe of the Calgary Brewing & Malting Co., Ltd founded in 1892
A GENUINE PILSENER BEER

CASCADE, the flavor-aged Pilsener beer that combines old-time smoothness with modern brightness. The brisk good taste is brewed in with nature's finest ingredients - and more than a dash of pure genius! So if you're asked "Which Pilsener?" there's really only one answer. CASCADE - that's the Pilsener!

Mortgage Burning Ceremony

Members of the B.P.O. Elks Lodge of Entwistle held a mortgage burning ceremony as the highlight of a social evening held March 15th. Bro. Leo Jensen (extreme left) acting on behalf of bank manager Bro. Hugh Berry, received the cheque from Exalted Ruler Bro. Don Gylander who passed the mortgage to three trustees to burn. Shown performing the burning ceremony, from left to right are, Bro. Bjornstad, Bro. Reid and Bro. Ivan Gylander.

Season Ends for Rebels Hockey Club

By MIKE Gormley

The Rebels will be hanging up their skates until the 1968-69 season rolls around following their loss last Sunday to the Fort Saskatchewan Huskies.

When all is said and done, the local green and white team had a very good season. It was a long season stretching over a period of more than five months.

It was a tough season in some respects. They were competing in a new league, a rougher, tougher league with a calibre of hockey considerably higher than ever before experienced by the team as a unit.

Their won-lost record in the league schedule was not too encouraging and at times prospects for the future seemed rather dim.

Toward the end of the league schedule, however, the Rebs started to really get rolling in exhibition games against, Ray's Esso, Stony Plain, Calgary Ashdowns and in Provincial Playdowns against Vegreville and Camrose. The Rebs won nine consecutive games before dropping the pair of games to Fort Saskatchewan in the Provincial "C" semi-finals.

The teams from the North Central Hockey League; Drayton Valley, Camrose, Wetaskiwin, Stettler and Fort Saskatchewan dominated play in the Provincial playdowns and it would be a good bet that the Fort Saskatchewan Huskies will win the Provincial playdowns next weekend. Win or lose the title will still got to a N.C.A.H.L. team.

If there was any doubt as to whether the Rebels belonged in this league, this doubt has definitely been cleared away for once and for all. The Rebels defeated every team in the league at least once during the past season and the team played a fantastic brand of hockey in defeating the Camrose Maroons in the playdowns.

The March 17th game against Camrose at the Civic Centre will be long remembered by local hockey fans.

Now with a streamlined executive, a young and resourceful coach in the person of Ray Marfleet and a potentially well balanced team, the Drayton Valley Rebels are a sure bet to carve their names in the North Central Alberta Hockey League record books in the 1968-69 season.

At this time a vote of appreciation is in order to the Rebel Hockey Organization, the players, the coach, the executive, the general manager and everyone who was involved in this year's operation, for all they have done for the game of hockey in this community and for the excellent brand of entertainment that they furnished for the local fans during the past five months. A sincere thankyou and we look forward to seeing more of the green and white when November, 1968 rolls around.

WESTERN REVIEW

Plan Second Sitters' Course

Because of the large number of students that pre-registered for the baby sitters course sponsored by the Drayton Valley Oil Wives in February it was decided to hold the first course for the older students and the second primarily for eleven and twelve year olds. Students must be eleven years of age by June 20, 1968 to register.

In order to poll the number of students interested in this second course and to decide which afternoons are most suitable, lists will be posted in the Junior High School and St. Anthony's School this week and they will be collected on Friday, March 29th. Students should be certain they will be able to take this course before signing.

From these lists the course leaders will decide on the afternoons most suitable to the majority of students and notices will be posted to the effect prior to registration. Registration will take place on Wednesday, April 3. To facilitate bus students they will be registered at noon on this day at 12:15 in the Junior High School and 12:30 in St. Anthony's School. All town students will be registered in Room 2 at the Junior High School on this day. The fifty cent registration fee which partly covers the cost of the workbook is to be paid at this time.

Classes for this course will begin after the Easter Holidays.

Rotarians Lead Seals

After dropping the opening game of the best of five game series the Rotary team came back to win two in a row and take a 2-1 lead in the Drayton Valley Community Pee Wee Hockey final series. The Seals eliminated the Lions in the semi-final round to qualify for the final series against the Rotarians.

The Seals started strong taking the opening game 4-0 last Wednesday evening. The Rotarians came back to square the series by virtue of a 3-1 victory Friday night. The teams met in the third game of the final round Saturday afternoon and the Rotary squad won that one 5-2 to take the lead in the series. The fourth game will be played Wednesday, March 27th at 7 p.m. and the fifth game, if necessary will be played the following evening at the same time. The entire minor hockey program will be completed before the Annual Ice Carnival which will take place next Saturday. This event will close out activities at the Centennial Civic Centre for the 1967-68 winter season.

Teens Plan Talent Night

Teens for Christ will hold a Talent Night in the Elementary School Auditorium on Saturday March 30th at 8 p.m. Several local and district churches will be participating.

T.F.C. is geared for teens but people of all ages are welcome. Free admission.

"Well precious", said the fond mother to her small son, "What did they teach you on your first day at school?" "Not much," replied the little boy." "I've got to go back tomorrow."

THANK YOU

Howard Pickup and his family wish to thank our many friends and customers in Drayton Valley and area for their many kindnesses (in the way of prayers, thoughts, baking, dinners, etc.) extended to us, their expressed concern and their many cards of well wishing over the past few weeks. Thank you ever so much.
Howard Pickup and family.

"I simply can't stand my husband's nasty disposition," wept the young bride. "He makes me so jittery I'm losing weight."
"Then why don't you leave him?" asked her aunt.
"I'm going to," the young wife assured her. "But I'm just waiting until he gets me down to 120 pounds."

The vehicle that costs the most per mile to operate is the one you push down the asile of the supermarket.

General Outline Of Human Rights In New Pamphlet

A new pamphlet aimed at familiarizing the individual with provisions of The Alberta Human Rights Act has been prepared by the Human Rights Branch of the Alberta Department of Labour.

The new pamphlet, which points up terms of The Alberta Human Rights Act in layman's language, takes its place alongside two other pamphlets specifically directed to the employer and the manager of a hotel, motel, restaurant, store theatre or other place of entertainment.

All three pamphlets are now available upon request at Treasury Branches and Treasury Branch Agencies in the province, as well as at the Alberta Department of Labour office, Terrace Building, Edmonton.

Some folks read just enough to keep thoroughly misinformed.

More Sheep Registered

OTTAWA--Registration of purebred sheep increased in 1967 for the second successive year.

Purebred registrations of 18 breeds rose from 8,622 head in 1966 to 9,526 last year. This compares with 11,152 in 1960, and gradual declines to 8,017 in 1965.

Canada Department of Agriculture's Livestock Division Director, Ralph Bennett, attributes higher registration partly to the increased incentives in the prize lists of agricultural fairs introduced three years ago, and partly to the greater interest in purebreds which can be used for economic production of lamb meat through the three-way cross program.

This meat is in demand by many new Canadians around the Easter season, he noted.

Total sheep numbers declined again last year--from 1,006,000 on Canadian farms at mid-1966 to 962,000--but lamb slaughter was only slightly down. Carcasses graded in federally inspected and approved packing plants totalled 333,657, some 3,000 fewer than in 1966.

Live imports from the U.S. were 23,038 head compared with 18,872 in 1966.

Erosion Costly to Farmers

Topsoil being blown away here in this Southern Alberta photo cannot be replaced with fertilizers and is lost forever.

KEEPHILLS NEWS

MRS. G. RAYMOND, Correspondent.

The Micro-wave tower that has stood and has been called the guiding light by tourists looking for Keephills was taken down and hauled away last week after ten years.

Arleen and Roman Antipowich and children from Valleyview visited Arleen's parents, Mr. and Mrs. Wm. Lauder over last weekend.

Mrs. Denton and her granddaughter Lori are out of the hospital and doing nicely.

Nora Dombrosky was in Edmonton with her son and her sister-in-law for a few days recently.

Della and Edward Tattersall had Della's sister Rita and family from Edmonton to visit them on Sunday.

Mr. and Mrs. Doidge from Devon were guests of Mr. and Mrs. Art Bryant for the week-end.

Several from this area attended the bull sale held at the Cormie Ranch recently.

Randy Heap of Edmonton was home with his parents Sunday.

The P & E Ranch has enlarged its borders by the purchase of The Heap farm. Mr. and Mrs. Heap plan to move to Stony Plain in the fall.

It isn't the problem of taking it with them that bothers people; it's the problem of getting it while they are here.

Pie-Rouge Cattle Herd Arriving at Lacombe in April

LACOMBE--Arrival of a herd of Pie-Rouge, the French strain of the Swiss Simmental breed of cattle, is expected at the CDA Research Station here in mid-April. Animal breeding scientists are prepared for an extensive evaluation of this animal. Dr. J. A. Newman says the breed was chosen because it has been found adaptable to many parts of Europe and has a reputation for large size and good foraging ability.

The Pie-Rouge is not primarily a beef breed in its place of origin. Most of the emphasis is on lactation and milk yields in excess of 10,000 pounds a year are not uncommon. Like many other European breeds, however, the Simmental Pie-Rouge have also been used for beef production and as draft animals. A large well-fleshed body type, possibly very suitable for lean meat production, has been retained.

Four bulls and eight heifers were purchased by J. G. Stothart, director of the Lacombe Research Station in July last year. They have wintered at the Gross Ile Quarantine Station in Quebec and have passed all health tests so far. When they arrive at Lacombe they will have to spend a 90-day "on farm" quarantine period.

Semen will be collected for use in the 1968 breeding season on about 100 Shorthorn cows at Lacombe and on at least 100 Hereford and Aberdeen Angus cows in private herds. Male offspring of the Pie-Rouge bulls will be placed on feedlot tests along with contemporaries sired by Charolais and British breed bulls. A number of female calves will remain in the herds of origin where data will be recorded on their performance as brood cows.

One Simmental bull was imported by a private owner earlier and, in addition to the CDA's importation this year, there are four bulls and four heifers that have been brought in by private breeders.
